Dear Sir / Madam,

Welcome to **IPSCASIA.COM**, Asia's latest online portal, providing you real-time access to information on Products and Services for varied business segments; Oil & Gas, Construction, Energy, Marine & Manufacturing sectors. Thank you for giving us an opportunity to help your business get global exposure and reach out to a wider audience, promoting your products internationally through our offices in UAE, Saudi Arabia, Oman, Bahrain and India.

During our last conversation I had the opportunity to discuss with you about **IPSCASIA.COM**. In continuation of our conversation, I have prepared for you the best and most economical package to increase your business revenue manifolds.

Introduction

We would like to state that our portal is the only B2B portal for the Asian market, with database strength around 125,000 companies, 70% of these companies are comprised from the Gulf & Indian Countries while the remaining 30% are from Europe, China, Malaysia, Singapore, Sri Lanka etc. We are also glad to inform you that we have crossed 10000+ visitors/users per day, posting their B2B requirements / enquiries to generate more business. We offer comprehensive business solutions to the global sourcing community through a wide array of online services, directory services, & facilitation of trade promotional events.

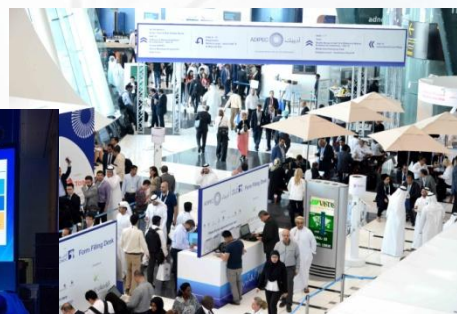

Industrial Products & Services Catalogue

The book catalogue was introduced by Headlines Advertising LLC to the markets in the Gulf and India regions more than a decade back (17 years in the Gulf and 8 years in India). The richness in the information, the ease of searching for any particular product / service and the breadth of clientele made the catalogue an instant hit with our users. It is the most comprehensive database available and our data is mined and continuously updated by a team of qualified media professionals. The best way to experience the reach and benefits of the catalogue in accelerating your business would be for you to get listed in the catalogue.

Trade Shows & Events

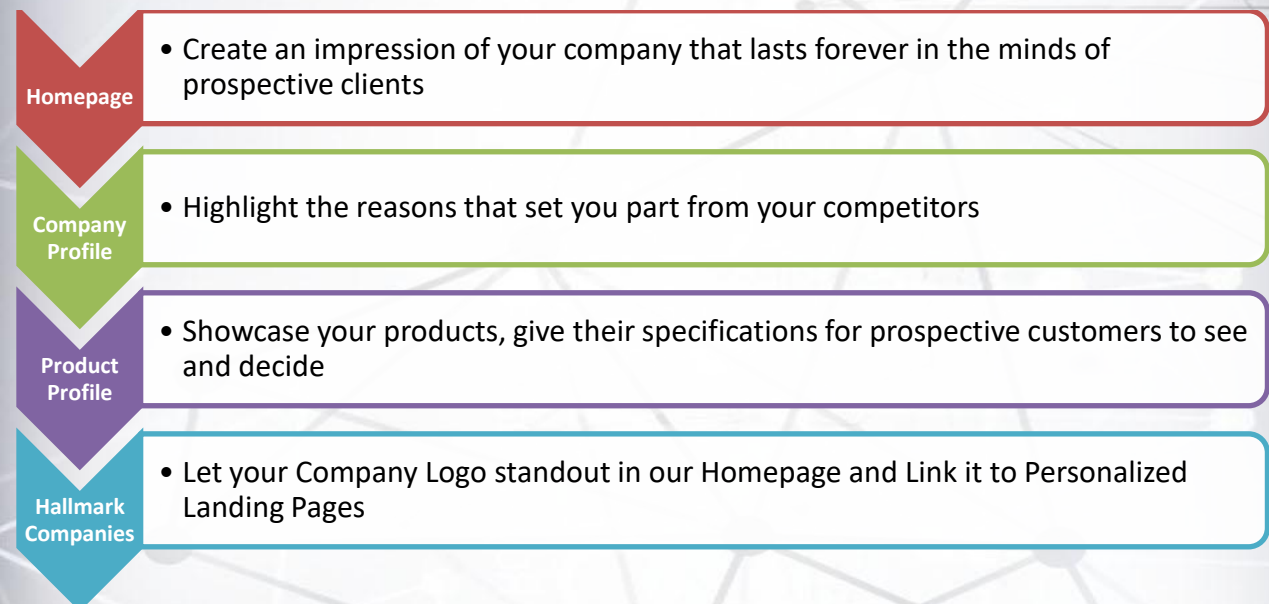

We participate in major exhibitions like ADIPEC – Abu Dhabi, Dubai Oil & Gas Show, Steel Fab – Sharjah, OSEA – Singapore, Petrotech – (Delhi) India, Power Gen - India, SAOGE – Dammam, Riyadh Oil & Gas Show, Project Build – Qatar, Oil & Gas West Asia – Oman, Oil & Gas Show – Kuwait, Offshore Middle East – Qatar, Renewable Energy – (Delhi) India, MTE & REM Saudi Arabia and 15 other exhibitions in different fields all over India thereby helping you gain extra mileage by reaching out to various markets & clients.
